Hi Ehud,

I am in long meeting towards a closing of a certain transaction and I will do my best to find the time today to go over the draft and send you my comments/remarks.
I got few e-mails that were exchanged between Benad and his lawyer, and his lawyer made certain adjustments per Benad's instructions.
I think that our flexibility to change terms with respect to the entire arrangement will be minimum, but I want to make sure that your personal obligations and consideration in this venture are well defined and that it is acceptable.

Best regards,

Udi
